AGM Report 2007 - 2008

Web Site - Dean Jones still updates our website free of charge, THANKS DEAN! - his company is "Computer Jones" and can be found at www.computerjones.com - as requested at the last AGM, Prairie Bylaw Enforcement contact information has been posted on the website - we are very proud of our website and we encourage you to visit it - local weather, photos and stories of Grand Marais are just a click away - it was difficult to regularly update the site this year and this highlights the need for other contributors - we need stories, photos, events, etc. - we will link to members' websites free of charge - all contributors will receive full credit on the site - hard-copy materials will be returned to the contributor - all submissions will be edited (as little as possible) for accuracy, spelling, grammar, etc.

Newsletter - our third newsletter was distributed in October 2007 and our fourth in July 2008 - special thanks to Encore Envelope for once again printing the newsletter free of charge

Media Contact List - a list of individuals and print/broadcast media outlets willing to air press release and/or public service announcements was created - 62 contacts are on the list - with it we can quickly distribute information about activities and issues of concern to a wide audience

Association Presidents Contact List - a list of most area cottage associations and their presidents contact information was created and will soon be shared with all area association presidents - when issues of common concern arise, we can quickly notify and be notified by other associations

- respectfully submitted to the GMPOA AGM, August 30, 2008
