

2008 fire Truck Pull (FTP) Committee AGM Report 2007 - 2008

- an agreement was negotiated with the East Beaches Fire And Rescue Department to present a FTP annually

- we are prepared for the event to take place later today, 4 - 6 pm, in front of the old fire hall at 120 Grand Beach Road - we will have a 50/50 draw, public washroom and food services offering BBQ hot dogs, BBQ hamburgers, soft drinks and bottled water - we expect to raise at least \$5,200.00, to supplement the \$4400.00 raised in 2006 and 2007 - with that, we will purchase a thermal imaging camera (worth approximately \$9600.00) for the East Beaches Fire And Rescue Department - by written agreement, any extra funds raised will be applied to the next goal (yet to be decided)

- special thanks to those MC members and those GMPOA members who have volunteered to help at the event - hope you enjoy yourselves

- respectfully submitted to the GMPOA AGM, August 30, 2008

Jerry Meagher
Chair 2008 FTP
GMPOA
