

Garbage Committee Report for Annual General Meeting **Aug 30/08**

Committee Members

Wendy French
Al Watt
Marg Watt
Roberta Dalman
Gary Dunne
Al Chitty

The committee met in the early Fall of 2007. Outcome of meeting was to contact Grand Beach Provincial Park to inquire if they would consider garbage pick up in Grand Marais. Secondly, to contact Earl Smith from Selkirk and inquire about garbage pick up in Grand Marais.

Committee members, Wendy French, Gary Dunne, and Roberta Dalman met again in May 2008. The discussion focused on a tag system and the hours of operation of the transfer station. Gary Dunne emailed the RM; at that time, the RM informed him that a garbage survey was included in the RM newsletter and that was being sent out to all ratepayers.

Wendy French followed up on the RM's survey and discovered many ratepayers were unaware of the survey. She printed the survey from the RM website and made 200 copies which she distributed to local businesses in Grand Marais.

The committee now awaits the results of the survey from the RM.

- respectfully submitted to the GMPOA AGM, August 30, 2008
